FOREWORD . . .

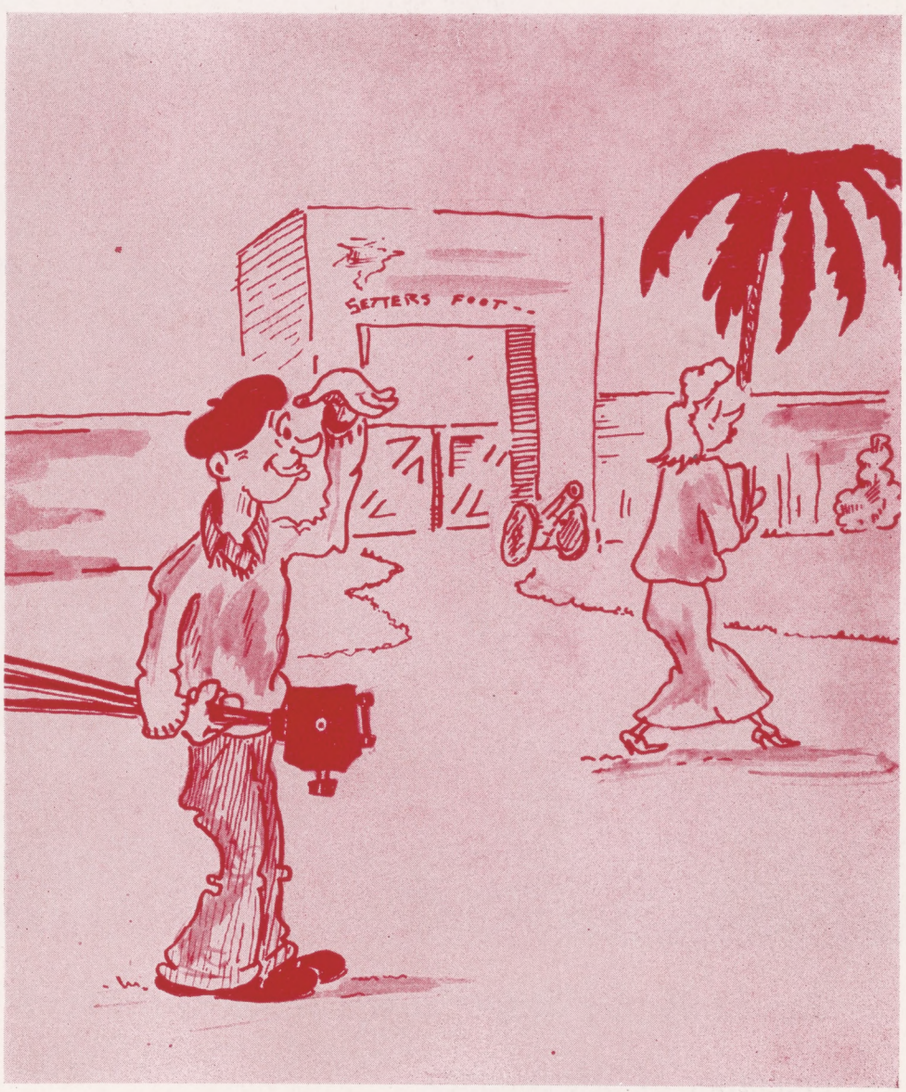
PIONEERS TODAY . . .
LEADERS TOMORROW

We are the first to live in the Supersonic Age; but the problems that face us today are as old as man . . . and the solutions that we apply to them will influence all the generations to come. Perhaps that is why we students are here. We know that education is the only effective instrument that may be used to carve a better world; and we are not willing to "trust the sword to the hands of a boy."

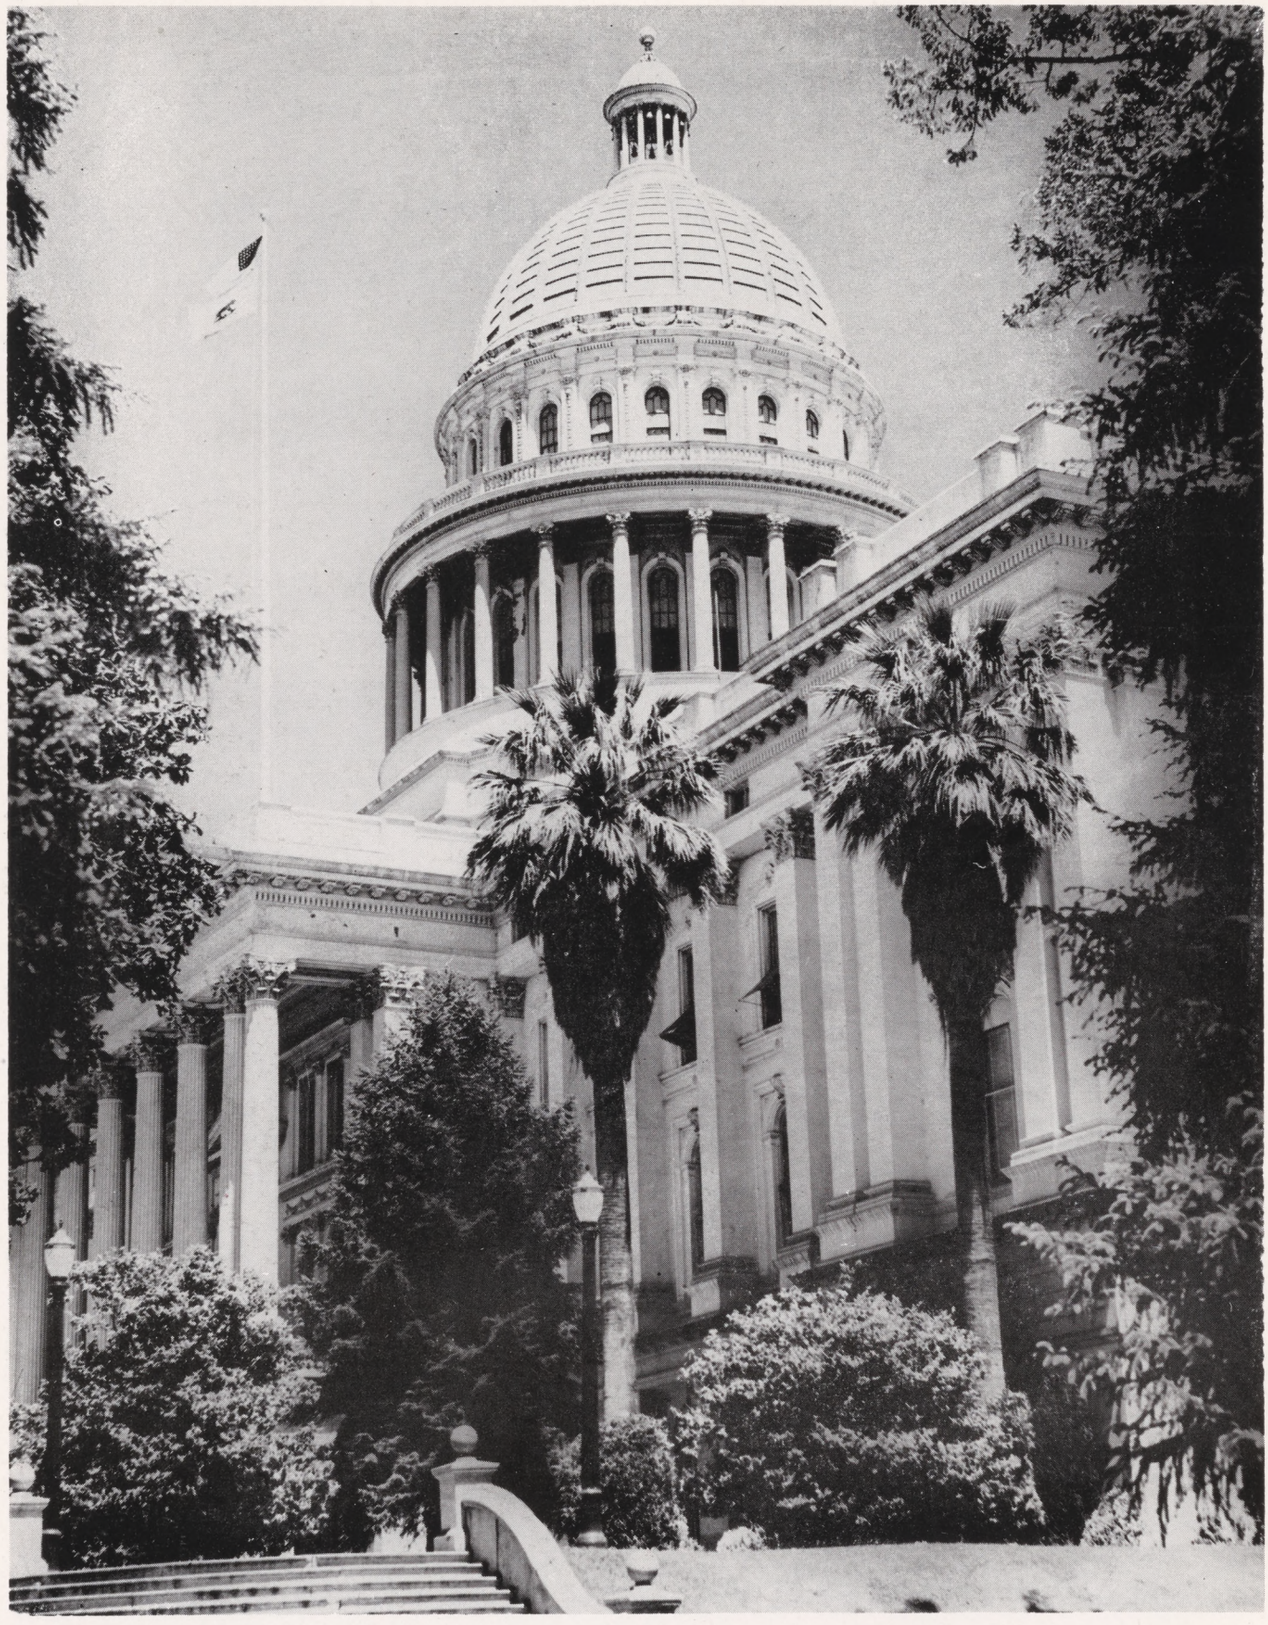
Many of us saw death on the battlefields of the four corners of the earth. We visualized that for which we fought; and now we are here to prove that we can erect palaces of peace as well as level the legions of war.

World-weary ones, make room for us. . . . Your skepticism cannot stop us and your failures will only spur us on. . . . Throw not your challanges forth in jest for we shall answer them with action. Like David of old, we shall keep faith with God and with ourselves and go forward to do battle with the giant, world unrest and insecurity. If you will not march with us, then stand aside and let us, who are enthusiastic to tackle the new era, pass.

SCENIC SITES IN SACRAMENTO...



SETTERS FOOT



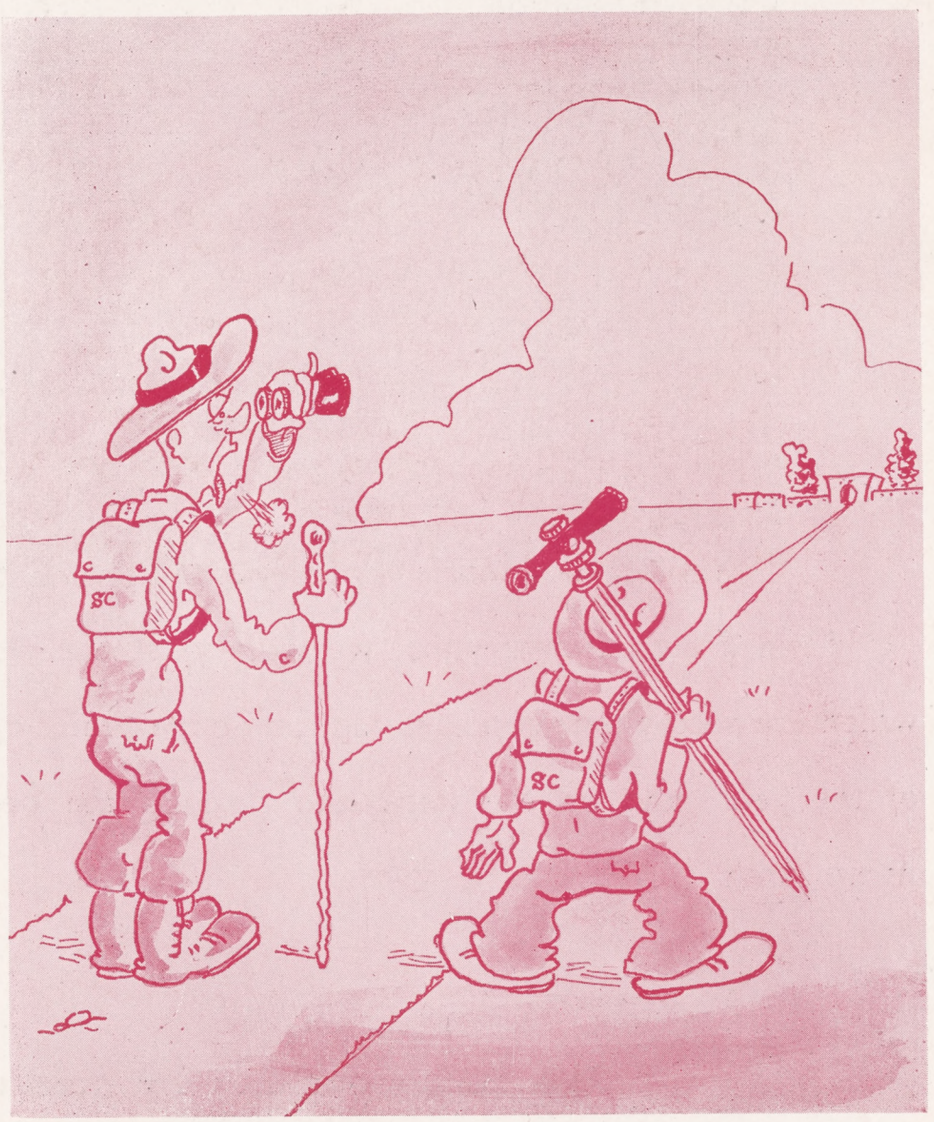
The California State Capitol is one of the many beautiful sights that we remember of Sacramento.

One of the corridors of the State Capitol.

Sutter's Fort reminds us of the courage and the progress of our American way of life.

We are fascinated by Crocker's Art Gallery, the fifth largest in the United States and the largest west of the Mississippi.

TOUR OF THE CAMPUS . . .



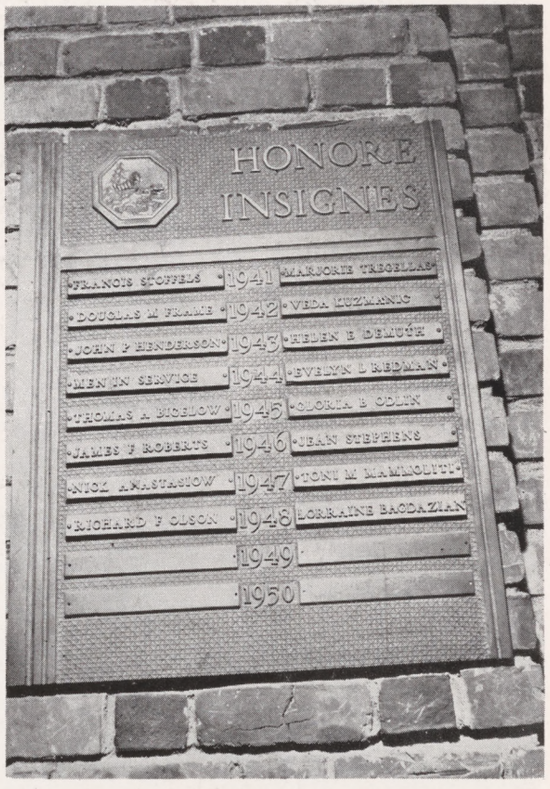
SC
SC

From Freeport Boulevard, we walk past the class plaques, beneath which are buried time capsules containing mementos of the accomplishments of the year, and up the steps and through the beautiful portal of the Main Arch.

We begin our tour by passing...

Each year the outstanding sophomore man and woman are chosen to represent their class.

They are selected for their exemplary record of participation in college activities and contribution to the advancement of the school.



We, too, had an outstanding fellow and girl, whose names will be immortalized on this beautiful brass monument.

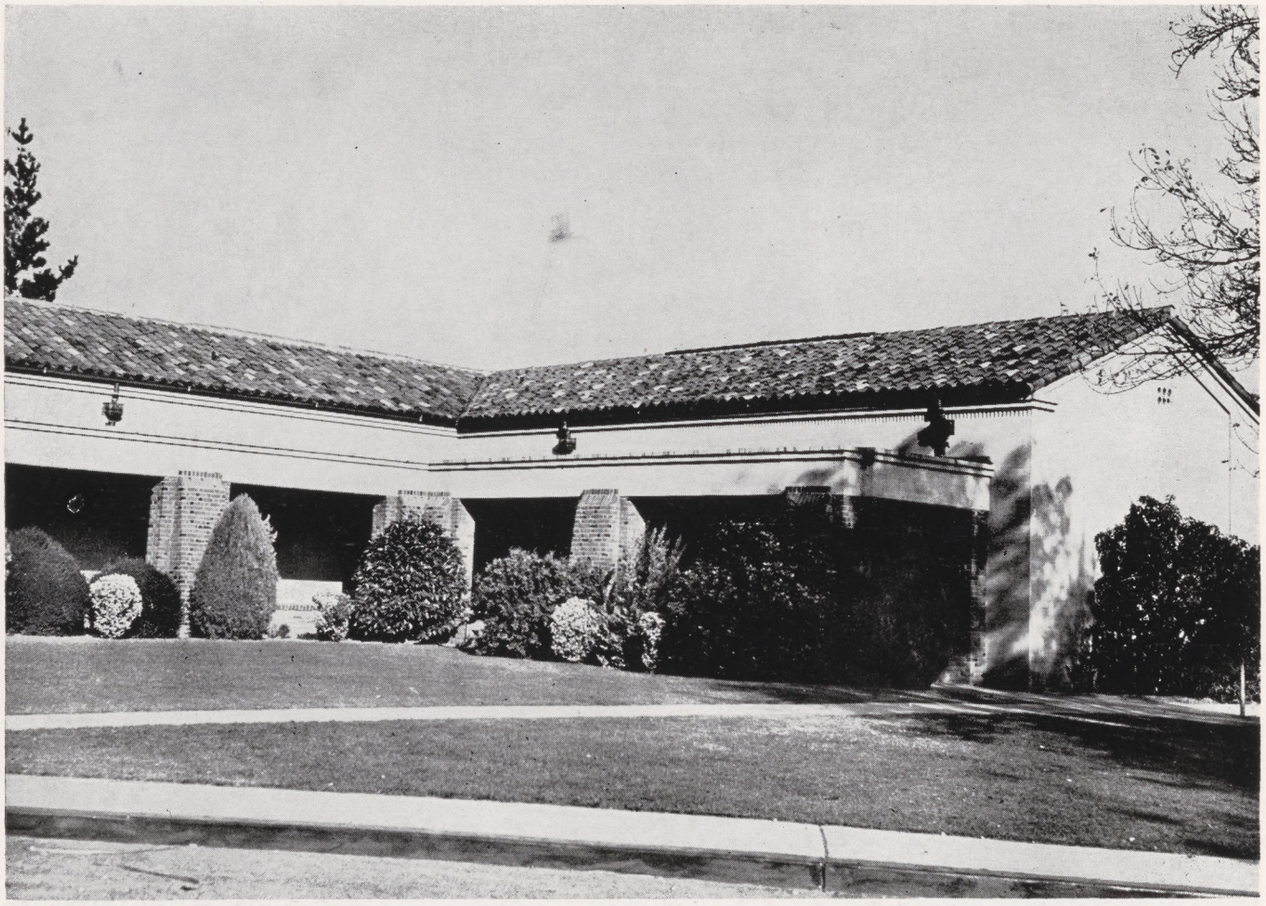
...by the honor plaques...

...through the Main Arch of the Administration Building...

We pause to view the interior of the Quad'.

We linger thoughtfully as we recall the dramas and skits, pageants, and musicales that have been produced here. We remember the dreams that have been created and given life on the canvas of our artists.

...and walk by the Drama and Music Departments...

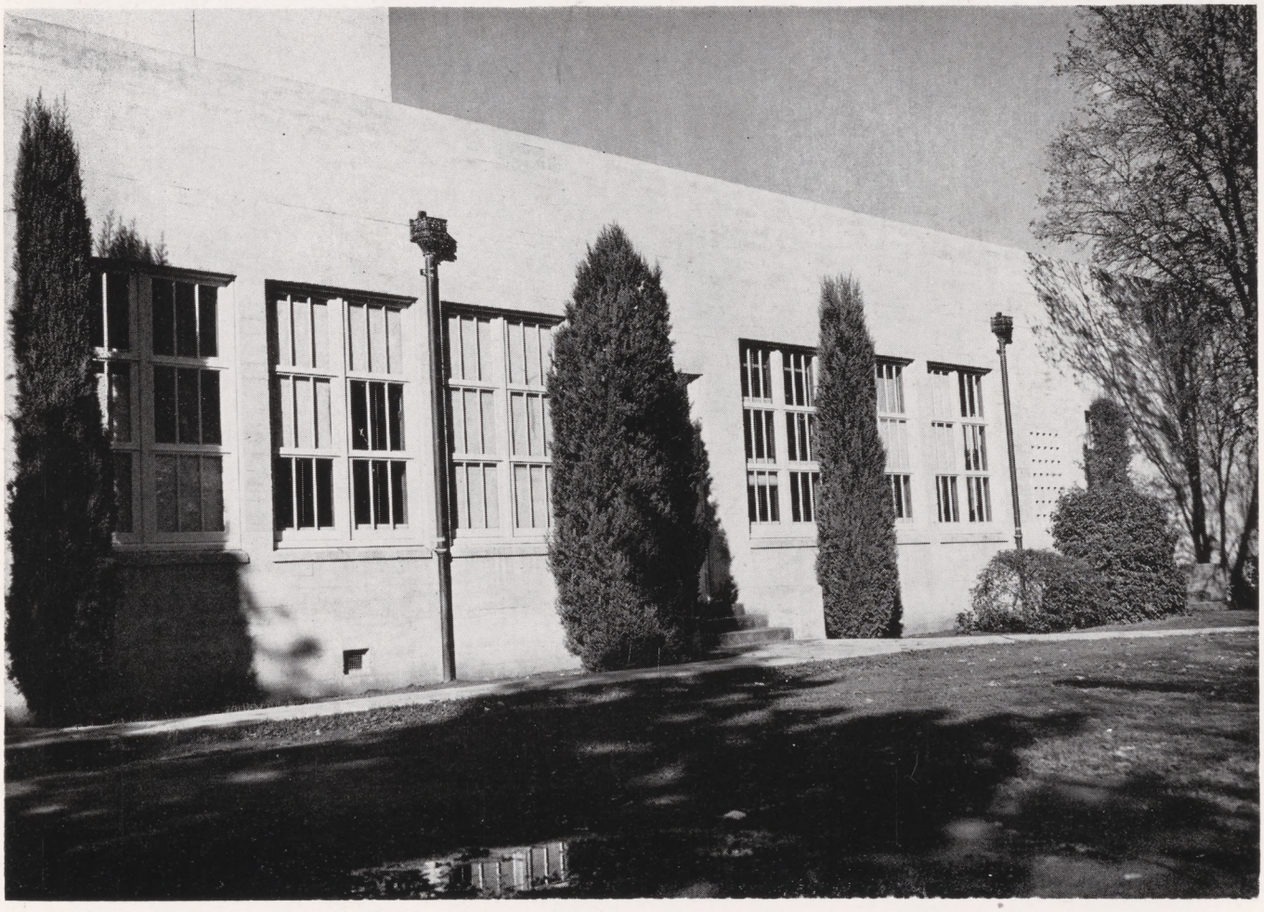


Here the builders of tomorrow prepare themselves for the enormous projects that lie ahead. In their steps will spring bridges, buildings, highways, and railroads.

... to the Engineering Section ...

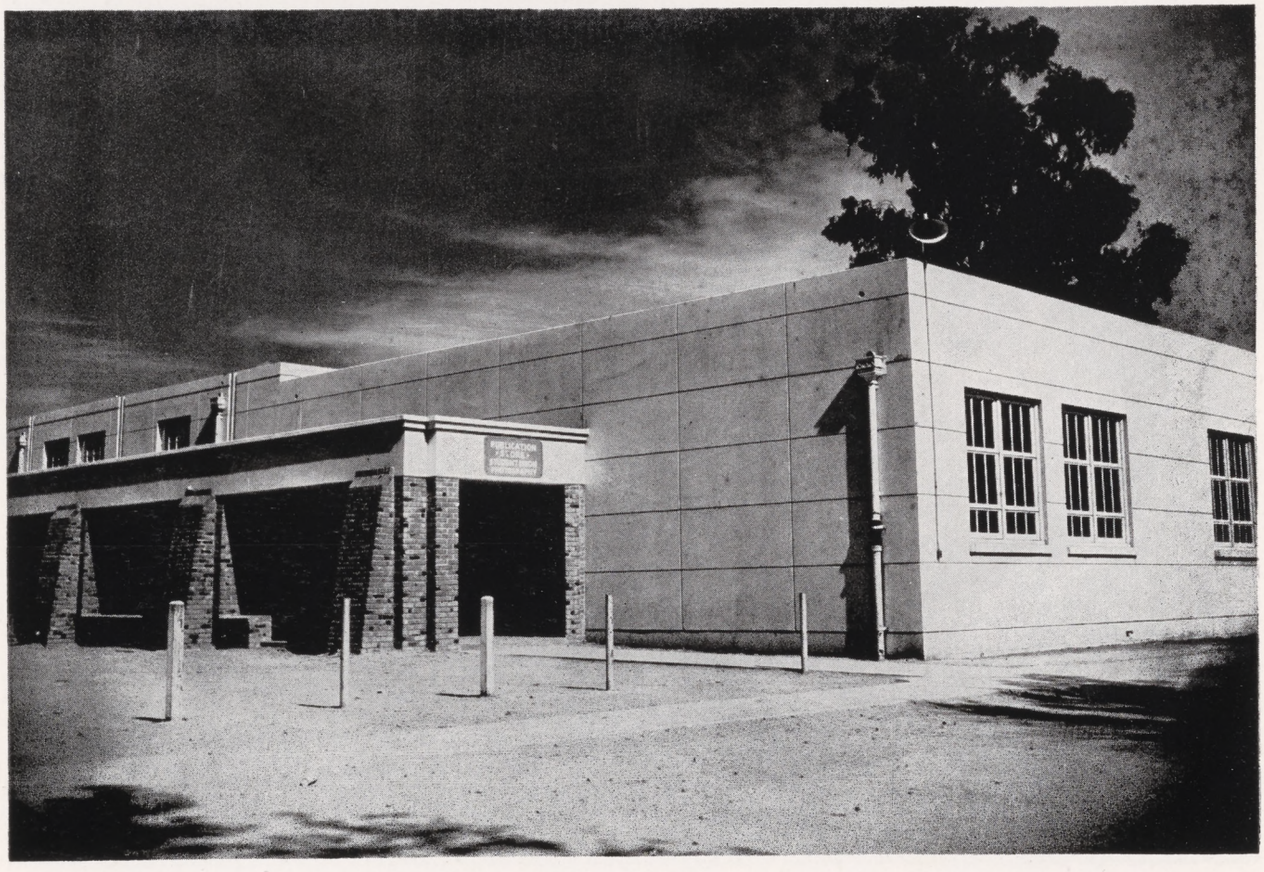
. . . around to the Art Wing . . .

Through these portals pass the most ardent artists in the world.



. . . then over to the Publications Building . . .

Those majoring in campusology and minoring in pinocle decorate the Student Union. The Co-op, or Student Store, is the arsenal for the battle of the books; and THE PONY EXPRESS *and* PIONEER *offices are where hopeful young journalists smear their fingers with that "unremovable printer's ink."*



Here the secrets of beauty are unveiled.

...then the Cosmetology Building catches the eye...

...and on to the Aeronautics Building...

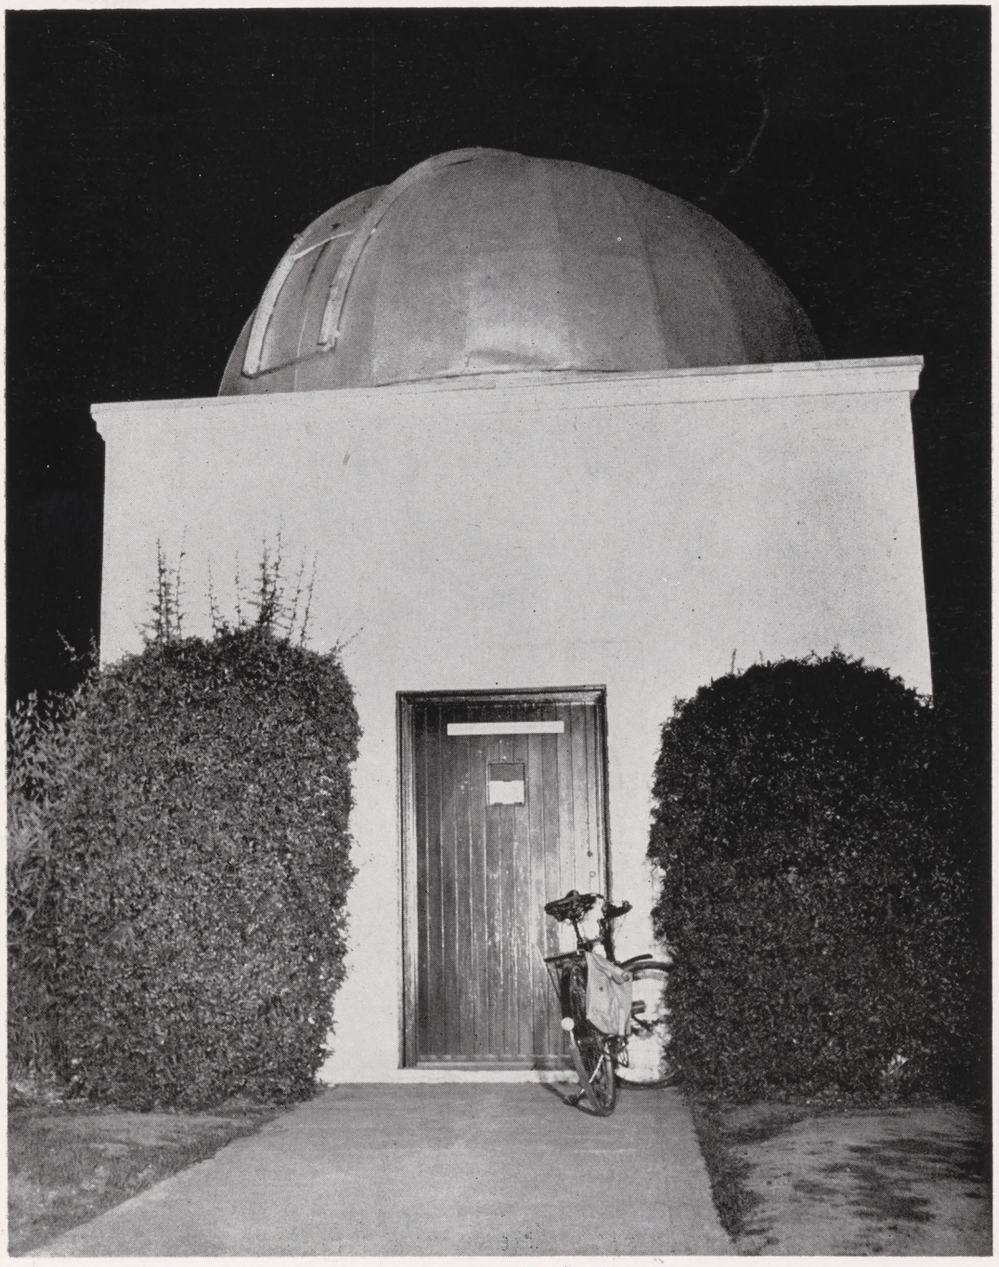
"Fish must swim.

Eagle must fly.

Man must try his wings against the sky."

. . . to the observatory . . .

Star gazing is encouraged here. Well, I never . . . !



To the right, Henry, I'm positive that I saw an empty space over there.

...and past the parking lot...

...over to the stadium...

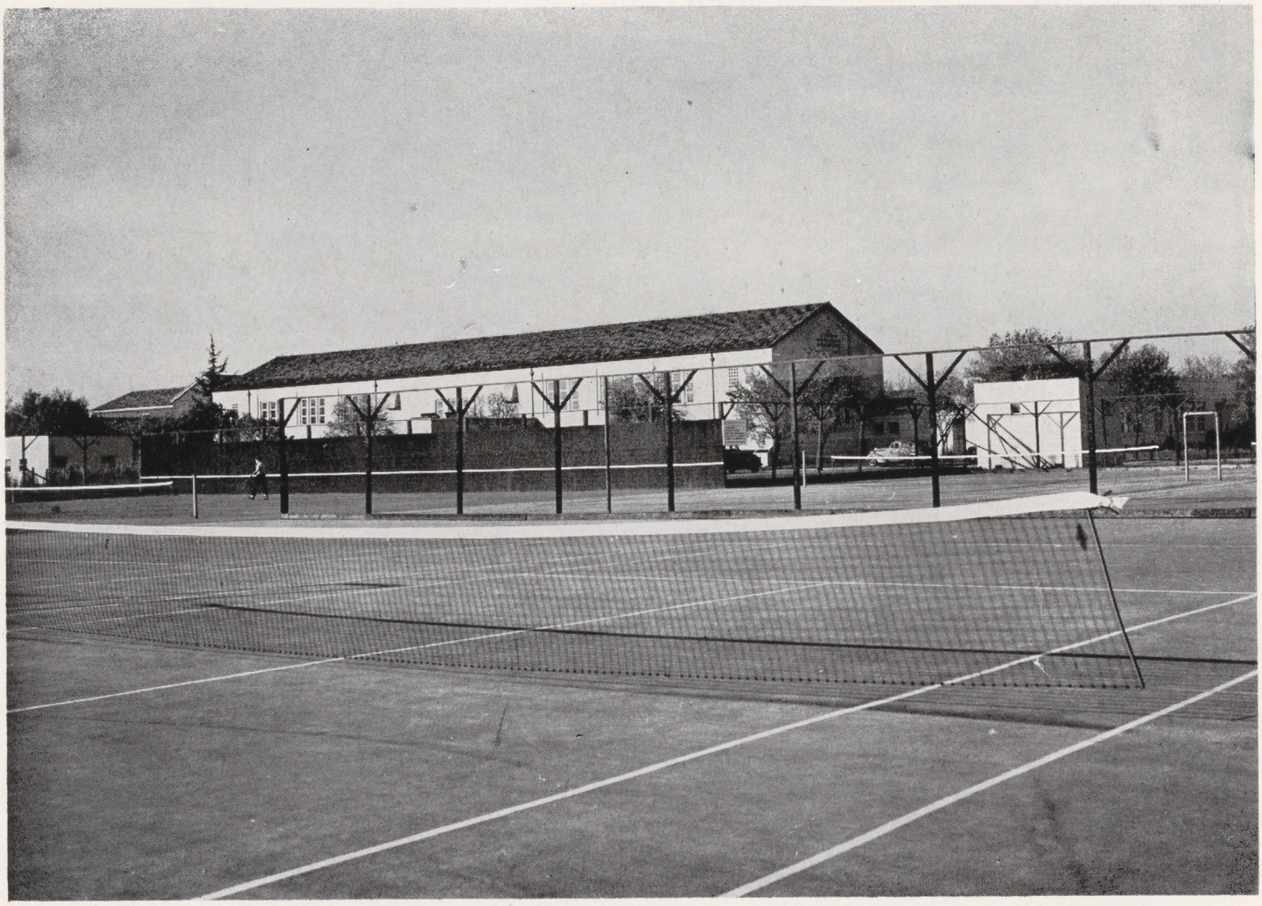
With the accompaniment of brass bands and cheering throngs, men pit brain and brawn in diversified athletic contests.

. . . then around the football field . . .

Long practice periods of vigorous training make for that alert mind in a healthy body — — (it says here in fine Chinese Braille).

There's no place like home at the close of a long, long day.

...by the Veterans' Housing Unit...



"Love" means nothing here.

...and past the Tennis Courts...

. . . to the Men's Gymnasium . . .

The meeting place for prospective participants of the Little Rose Bowl.

The shortest way to a man's heart is via the chow line.

...and the cafeteria...

...and on to the Women's Gymnasium...

The girls are always eager to dress for Gym (Jim).

. . . then past the Home Economics Department . . .

All we ask is a little, poison-ivy-covered cottage and an opportunity to watch the world roll by.

This illustrious site is the fortress where we spent so many hours withstanding the siege during the battle of the books.

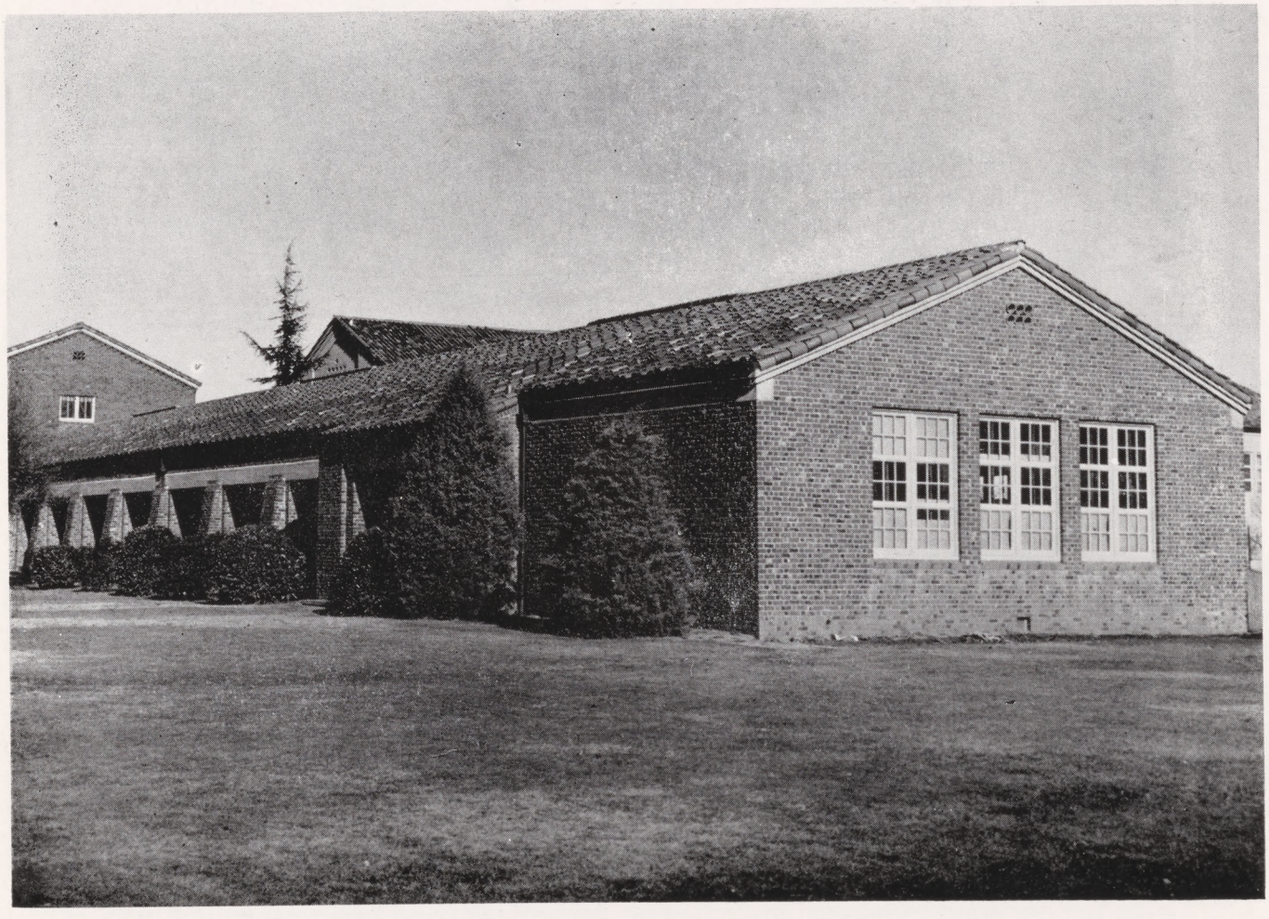
...to the library...

. . . Ping, ping, ping, ping, clang, errrrr. Well, (whew) that's another line of type.

. . . past the Production Department . . .

...and around to the Science Wing...

. . . And here our would-be-Nobel-Prize-winners slave over microscopes and hot test tubes.



...and we complete our tour by viewing the east side of the Administration Building.

HISTORY OF THE COLLEGE

Sacramento Junior College, which began in 1916 as a department of Sacramento High School with an enrollment of 45 students, now looks back on its first third of a century of expansion. The highest enrollment of 3,362 students was reached on the eve of Pearl Harbor. At this time, three segments — regular day classes, day adult classes, and evening school — were serving a total of 10,748 persons in 1941. The faculty, which numbered 16 part-time instructors in 1916, had increased to 110 full-time instructors by the outbreak of World War II, and now numbers 104 full-time instructors and 13 administrators.

In January, 1922, the citizens of Sacramento voted to organize a district Junior College and thus severed the departmental connections between the Junior College and Sacramento High School. The Junior College, although still occupying a wing of Sacramento High School at 34th and Broadway, then became an independent entity, governed by its own board of education. This plan was reorganized in 1936 when the Sacramento City Unified School District was formed and the Junior College became one of the divisions of a city-wide system of free public education.

Dr. Jeremiah B. Lillard became the first president of this institution in 1923 and served until his retirement in 1940. After the retirement of Dr. Lillard, the College was administered by Dr. Richard E. Rutledge, whose services were terminated by his untimely death in the spring of 1942. He was succeeded by Dr. Nicholas Ricciardi, the present head of the College. Miss Belle Cooledge, who administered the Junior College in its first days as a department of the Sacramento High School, served the school as vice-president and dean of women until July 1947, when she resigned. Shortly after her resignation, she again entered public life as the first woman ever to become mayor of Sacramento.

When the College outgrew its temporary quarters in the high school, the citizens of Sacramento voted bonds for a new Junior College site and buildings. Sixty acres on Freeport Boulevard opposite William Land Park were purchased; and, in September, 1925, the cornerstone of the first of the new buildings was laid. In 1926 the Junior College was transferred to its new permanent campus.

The first buildings, erected at a cost of $525,387, consisted of administration, clossroom, and laboratory units and a gymnasium, the latter now being used by the women students. In 1928 the stadium with adjoining track and football field was built at a cost of approximately $257,000. In 1936 the auditorium and fine arts building was completed for $221,000; and in the same year, the library building and the men's gymnasium, representing a combined investment of $231,000 were begun. It was in 1938 that the aeronautics building, the cafeteria, and the home economics and science wings were added at a total cost of $246,651; and in 1941 the shop building, costing $33,421, was completed. In 1947, bonds were set aside to build a new Student Union and a swimming pool.

THE SUPERSONIC AGE

The assets of the Supersonic Age are not as tangible as those of the Industrial Age. When we speak of the Industrial Age, we usually think of material things produced with progressive improvement in quality and with a lowering of prices, in order to make more things available to an increasing number of persons. The Industrial Age is the period during which material things are given primary consideration, and civilization is industrialized. The distinctive characteristic of this age is a civilization whose chief concern is the means by which man lives.

But when we speak of the Supersonic Age, ideas of unusual character arrest attention. Unusual ideas will be the assets of the Supersonic Age. These ideas will call for interpretation in terms of the ends for which man lives, such as better human relationships, a united world, and peace with its benefits for all mankind. In the Supersonic Age, the efforts of human beings will be actuated by motives which should result in the achievement of worthy ends and the attainment of a spiritualized civilization.

It is appropriate, therefore, that the Pioneer, a college publication, should have a theme whose interpretation with application to daily living, encouraged and emphasized by college men and women, should result in spiritualizing our civilization and culture.

The graduates of the Class of 1949 are deserving beneficiaries of the Supersonic Age.

Best wishes for an abundant and happy life with zeal for unselfish service in a Supersonic Age!

SEMESTER I

FRESHMAN QUEEN, BARBARA HUGHES, is being congratulated by DON HARVIE.

QUEEN CONTESTANTS—CLAUDIA KEELER and JOYCE BUTLER are being interviewed by Women's Vice-President, DORIS HERINGER, as contestants, JACKIE HUGHES, MARILYN PURDUE, and BARBARA HUGHES, look on. The second semester queen is pictured on page 167.

HELL WEEK

Every semester the new freshmen are informally initiated into Sacramento Junior College. This year they were supposed to wear their clothes wrong-side-out, open doors and carry books for upperclassmen, and present an assembly at the end of Hell Week. Here SHIRLEY WILLMAN and RITA WACHSMUTH show how it's done.

It's the students that get the yearbook.
It's the college that gets the fame.
It's the printers that get the money,
But it's the staff that gets the blame.

As dependable as a two-headed quarter but better because he is not alloyed with trickiness, Gene has tackled and completed single-handed all the photography in this book with the exception of the page on skiing and fraternity and sorority pictures. Said the Bell-Hop to a noisy college drinking party in a hotel bedroom:

"I've been sent to ask you to make less noise, gentlemen. The gentleman in the next room says he can't read."

"Tell him," was the reply of one of the collegiates, "that he ought to be ashamed of himself. Why, I could read when I was five years old."

INGREDIENTS:

Ingenuity of six college students.

One mound of dirt — about 4 x 6½ x 1½ feet.

One registration schedule.

One handful of palm branches.

Two sticks of wood.

A little paint.

RESULTS:

A mock grave for an overworked registrar.

THAT'S WHERE MY MONEY GOES—to buy my book of prose. I pay for everything to keep me in school.

LARRY ROUBLE, head football coach and former Stanford "vowboy" is a newcomer on the Panther campus.

JACK WOERNER, assistant footbal coach is an old timer in local sport circles. He was graduated from Oregon State College.

LANE ERNST, graduate coach was a great help to the team. Ernst played football at SJC in 1946 and 1947.

Panthers penalized—Reaction registered by Bob Wells, Ned Kay, Dr. Ricciardi, R. G. Soutar, M.D., and George Woodhouse.

PANTHERS 14, GRANT TECH 0. After a scoreless first quarter, the locals opened up a drive, spearheaded by Wes Busch, John Pappa and Dale Fairlee. Pappa carried the pigskin over and Neil Fearn made the placekick. The third quarter was hard fought with the Panthers deep in Grant territory but unable to score. The final touchdown came after Jack Higdon's passes to Pappa and Robinson carried the ball to the one yard stripe, where Busch went over. Fearn made it two in a row with his second conversion. Pierucci, Connally, Hughson and Dennis played well in the line.

PANTHERS 13, NAPA 6. Breaking a five-year jinx, Sacramento finally managed to slip by the Napa Chiefs. Pantherman, Wes Busch, pushed across the first tally midway in the initial quarter. Fearn made the extra point. Connally, Pierucci, Morris and Robinson stopped the Napa running attack cold. The Roublemen managed to click in the third quarter and Fairlee slipped into the end zone. Fearn missed the conversion for the first time all season. Roy Sules, playing his first game of the year, was the leading ground gainer. After recovering a Panther fumble deep in Sacramento territory, the Chiefs passed their way into the end zone. The conversion was successful.

PANTHERS 7, SAN FRANCISCO 25. Sacramento lost its biggest chance to cop the N.C.J.C.C. championship by losing to the Rams. San Francisco turned two Panther fumbles into touchdowns, but missed both conversions. The Panthers gave the visitors a scare in the third quarter when Busch scored following gains by Pappa and Fairlee. Neil Fearn calmly booted the conversion. In the final period, the Rams went to town. They tallied one by a 32-yard drive, and then made the conversion. The final touchdown came from a blocked kick that was recovered in the end zone.

PANTHERS 26, SAN MATEO 7. Our gridders got back in the win column by trouncing the Bulldogs. Busch made the first score after Elmer Dennis recovered a San Mateo fumble. Fearn added the extra point. San Mateo tied the score with a 55-yard touchdown pass and a successful conversion. Pappa made the first touchdown in the second half. Fairlee went 65 yards for the next one. Pappa broke away for a 70-yard touchdown run and Fearn made the conversion. Connally and Morris broke their legs and were lost for the rest of the season. George Clark, Roy Sules, and Clarence Stephan were in top form.

PANTHERS 6, SALINAS 33. Sacramento's hard fighting gridders were crushed by Hartnell College of Salinas. Panther ace back, John Pappa, scored on a beautiful open field run in the first half. The Panthers clutched a 6-0 lead at half time. Sacramento's offense that had looked so good in the first half fell apart in the second period, as Salinas went wild, making 33 points. The outstanding player was Joe Vaira who did all the punting. Joe got the Panthers out of many tight spots. Pierucci, Robinson, Busch and Morita were defensive stars.

PANTHERS 6, BAKERSFIELD 13. Sacramento came close to upsetting the highly favored Renegades. The injury laden Panthers allowed one touchdown to be scored against them in the first half. In the third quarter, they made another touchdown and added the extra point. In the final quarter, Busch threw a touchdown pass to Pappa. The play went for 50 yards. Sacramento came close to scoring again but frequent penalties nullified long gains. Busch was the top player both on defense and offense. The Panthers lost Dale Fairlee with an ankle injury for the rest of the season.

PANTHERS 6, MODESTO 26. Fumbles and poor tackling caused the Roubles to lose to the Pirates. Modesto's four scores came after they recovered four of the eight Panther miscues. Sacramento's lone touchdown came after Busch intercepted a Pirate pass. Sules and Pappa combined forces to make big gains and then Busch plunged over for the score. Ferd Galvez did most of the quarterbacking for the Panthers. Roy Sules turned in several nice runs. Jerry Mikacich and Curt Rowland did heavy duty in the line. Joe Vaira helped with his spectacular punting.

PANTHERS 19, STOCKTON 6. Sacramento finally came to life and played their best game of the year. The first touchdown was set up by a blocked kick and Sules packed the leather over. A flat pass from Galvez to Pappa scored the next one. Stockton's lone tally came from a long pass in the final quarter. Pappa, behind effective blocking, threaded his way 50 yards for a touchdown and Fearn kicked the conversion. Pierucci, Sherman, Yasui, and Stephan were standouts in the line. Pappa, Sules, and Busch starred in the backfield.

Panther's forward wall holds in goal-line stand against L.A.C.C.

PANTHERS 0, LOS ANGELES 33. Sacramento fell before an air attack from the L. A. Cubs. The Cubs completed 14 passes while the Panthers could connect with only one. The Cubs were the only team to hold the Panthers scoreless during the season. The only sustained drive the Panthers made was in the closing minutes of the game. The backfield composed of Barsanti, Clark, Wells, and Roemer made 95 of the total 134 yards gained. Time ran out with the Panthers knocking at the goal line. Pierucci, Mikacich, and Busch were the defensive stars. Wells was the leading ground gainer.
